

HELP GIVE A HAND UP

Goodwill Donation Drive

Drop off your donations of gently used clothing and household goods in the Goodwill donation bin located at:

CHARLESTON DORCHESTER
MENTAL HEALTH CLINIC
APRIL 22 - APRIL 29

Helping people achieve their full potential
through the dignity and power of work!

Just as there are things that you  there are things that you donate .

Donating to Goodwill extends the lifecycle of your donation, which helps to keep goods out of our landfills and protects our environment. Goodwill uses the revenue generated through the sale of your donations to fund their mission of helping people achieve their full potential through the dignity and power of work by providing job training and employment services to our community.
